For S4, pupils should choose the 7 strongest subjects from those studied in S3, and only in exceptional circumstances should a new subject be chosen. This can only happen (1) in discussion with your Principal Teacher of Guidance who will then (2) discuss circumstances with Subject Principal Teacher.

Pupils wishing to choose a Foundation Apprenticeship in S4 or particular applied learning courses should complete Senior Phase 2: Subject Options form (see Principal Teacher of Guidance).

GME: Pupils in Gaelic Medium Education should ensure that their choices include GME courses (Gàidhlig, Nuadh-eòlas, Eachdraidh) in order to progress their Gaelic literacy skills.

COMMENT (Parent/Carer) Please take the opportunity to comment on any difficulties in achieving your child's desired options in this box.
