NOTES

Please indicate any Advanced Higher subject(s) you wish to study.

Time slots for Advanced Highers will be identified following Authority wide consultation. Alternative choices should be made in the columns above.

Classes will only run if there are sufficient numbers. In some subjects places will be limited. Academic entrance requirements for each subject must be met.

1 year Foundation Apprenticeships are run over two columns - column 3 and column 5.

*If undertaking Year 2 of Engineering Foundation Apprenticeship enter it in the box at the bottom of column 3 and select it in Column 5. It requires to be delivered across two columns, over 2 years.

**This course is offered in both Gàidhlig and English.

Wider achievement options will be available for selection in June. YASS modules (Open University short courses) are also available in certain subject areas and will be delivered online.

Please return this form to your Guidance Teacher by **Monday 13th March**. Pupils making a late return cannot be guaranteed choices.

Session 2023-2024 Admission to Courses for S5/6

March 2023

Your class teacher of each subject must sign the recommended level. If you wish to take up a **new** subject, you **must** see the Principal Teacher of that subject. You should check the entry requirements and course descriptors for courses in the Options booklet. This is available on the school website and Guidance staff have reference copies. You must discuss your choices with your Guidance Teacher.
